

7 May 2019

Dear Parents and Carers

You may have noticed over the past few weeks the academy has been sharing advertising around the below event 'Jumpers for Goal Posts' on its social media channels.

This event has been developed by local people, local children for the benefit of the local community. Students at the academy from Years 7-10 have been working with local leaders in order to put on a community event that has been designed to inspire, motivate and engage.

The event is built around football and using your jumper for a goal post and there will be lots of opportunities for an informal kick about with friends as well as the chance to enter a team on the day into the tournament where you can test your skills out against teams from the armed forces, the emergency services and hopefully staff from the academy too.

Alongside the football events the students have been able to encourage other local organisations to come along and share what support they can offer to people of all ages and also for those who are interested what it would take to have a career with them in the future. The organisations who have committed to attend include; The Army, The Navy, The Prison Service, The Fire Service, The Ambulance Service, Nottingham City Homes, Clifton Boxing Club, Nottingham Forest, Notts County and many more.

Alongside their stalls the Army are hopefully bringing a climbing wall which people can test themselves against and the Fire Brigade and Prison Service will bring one of their vehicles for people to have a look at on the inside as well as the outside.

What we would like from pupils at the academy is donations. Donations of goal posts. Not real goal posts but any old jumpers, trousers, coats that we could use for goal posts on the day would be great. At the end of the event these items of clothing will be washed and donated to local charities so we ask that they are in a wearable condition but are simply ones that are now too small for you to use or just aren't worn any more.

Students should bring their donation to the PSZ at school and we will pass it onto the Jumpers for Goal Posts team.

Yours sincerely

Mr M Jobling
Head of School

STEP OUT STAY OUT JUMPERS 4 GOALPOSTS
